

What do I get when I buy the Original Wormery?

Aside from years of experience you get *everything* you need (except the kitchen waste!) The Wormery is a pleasant dove grey container made from recyclable, tough polyethylene with a lockable, double seal, hinged lid. It comes complete with worms (or priority despatch card if purchased from a garden centre),

tap for draining liquid feed, starter bedding, internal drainage platform, calcified seaweed and full, easy to follow instructions and tips. The Wormery needs very little maintenance, is easy to keep clean and will last for years.
